Learn music technology  
LIVE via the Internet  
from the comfort of your  
own home or school!

1. **Five nationally certified TI-ME Workshops:** 1A, 1B, 2A Notation, 2B Interactive Internet Authoring and 2C Integrating Technology in Music Curriculum. See: [www.kuzmich.com/2014%20TI-ME%20Summer%20Workshops.html#Music](http://www.kuzmich.com/2014%20TI-ME%20Summer%20Workshops.html#Music)
2. **The Ultimate Music Technology Experience** learning how to seamlessly integrate **SmartScore, PhotoScore, MusicXML, Sibelius, Finale** all together with **SmartMusic** for customized differentiated instructional materials.  
Note: entire workshop can be taken via free-demos. Read this landmark feature article at <http://sbomagazine.com/4630-technology-power-user-synthesis.html> in the February 2014 issue of School Band & Orchestra magazine and its companion web-site addendum for even more in-depth insight at: [www.kuzmich.com/SBO0214.html](http://www.kuzmich.com/SBO0214.html).
3. **Four FREE 1 and 2-day Specialty Workshops** presenting the first comprehensive, web-based music suite: comprehensive music theory program, artificial intelligence and hands-on digital-audio mastery.

For more info about these innovative workshops offering six weeks of instruction, go to:

1. iPad compatibility with all summer workshops! See April 2014 issue of School Band & Orchestra magazine for feature article for such compatibility or view at <http://sbomagazine.com/4665-technology-music-ed-apps.html>
