- 1) A Three-Year Provisional will convert to a Standard credential when special requirements are completed and submitted with Professional Development Plan up to 90 days prior to expiration. (See Special renewal requirements below) Three-Year Initials are non-renewable.
 2) All Professional credentials, full or part, require the signature of your Local Director/Administrator if you are employed in Career and Technical Education. Additionally, full ti me renewals require proof of completion of six semester hours.

Having furnished satisfactory evidence and having been approved by the State Board for Community Colleges and Occupational Education, the above named person is hereby qualified for instruction in the above Career and Technical Education Program Area under the provisions of the Colorado State Plan for CTE. This credential is issued by the State Board for Community Colleges and Occupational Education and is valid for the period indicated unless cancelled by authority of the board. The credential does not take the place of the license to teach in the public schools of Colorado required of all teachers. Certificates will be issued by the State Department of Education for teachers holding this credential who also meet the requirements prescribed for such certification.
